

Housing

Rugged Die cast aluminum with Integrated heat sink high-flow design and clear tempered safety glass. Quick Install wall mounting bracket. IP 65 Rated. Mounts to standard 4" electrical boxes

Electrical

Constant current electronic drivers multi voltage meets UL 1310 / UL48 Class 2 with a built-in over-temperature protection. Input voltage from 100-277. 347 and 480 volt is available (VAC 50-60Hz) Certified and tested to the North American UL 8750 Standard for wet location.

Lamping

Samsung light emitting diodes (LED) 80 CRI available in 4000k and 5000k colors. Efficient forward throw optics maintain excellent uniformity an exceptional lighting performance.

Finish

Rugged, long life, oven baked polyester powder coatings with multi-stage pre-treatment for outstanding adhesion.

Standard colors are White, Black, Bronze 

Warranty

LED Luminaires are warranted against defects in material and/or workmanship for three years. LED modules and drivers are warranted for a period of (5) five years. *(See Detailed Limited Warranty for more information)*
